

Let's Be Partners!

I would ask that you honestly inform me of all of your dental problems. I would like to make you aware of the best quality dentistry available today. Then we can discuss how you can make healthy choices that will work within your budget. I will also want to assist in letting you know all the pain relief options available to you in this dental office, how each dental procedure will work, and how much of your time will be required.

Put a check mark in the box next to the statement that concerns you or describes your problem. Then share this information with your dental team.
